

INSTRUCTIONS: 1) To order a Kele-configured SGD PanelPilot, save a copy of this worksheet and fill out below.

2) Customer name or order #:	Date:	PO#:
-------------------------------------	--------------	-------------

3) FIND PART NUMBER in first column and FILL IN calibration information across the row for that meter.

4) Web orders: E-mail this completed worksheet to "info@kele.com". Kele calibrations team must configure meter before it can ship.

PART NUMBER	DESCRIPTION	STEP 1 Meter Style ³	STEP 2a Meter Label	STEP 2b Meter Label (if "Custom")	STEP 3a Scale Minimum Label	STEP 3b Scale Midrange Label (if reqd)	STEP 3c Scale Maximum Label	STEP 4a Scale Minimum Voltage	STEP 4b Scale Maximum Voltage	STEP 5 Optional custom splash screen
SGD-24-M-C SGD-24-M-C-E SGD-28-M-C SGD-28-M-C-E	Smart Graphic Display, 2.4 or 2.8 inch, Kele-configured, with (-E) or without enclosure	Digital								na
SGD-24-M-C-E-DBL ² SGD-28-M-C-E-DBL ²	Smart Graphic Display, 2.4 or 2.8 inch, Kele-configured, enclosed, double display	Digital								na
SGD-24-M-C-XK SGD-24-M-C-XK-E SGD-28-M-C-XK SGD-28-M-C-XK-E	Smart Graphic Display, 2.4 or 2.8 inch, Kele-configured, custom splash screen, with (-E) or without enclosure	Digital								E-mail custom splash screen image (jpg, jpeg, bmp, png, gif), to "info@kele.com"
SGD-24-M-C-XK-E-DBL ² SGD-28-M-C-XK-E-DBL ²	Smart Graphic Display, 2.4 or 2.8 inch, Kele-configured, custom splash screen, enclosed, double display	Digital								E-mail custom splash screen image (jpg, jpeg, bmp, png, gif), to "info@kele.com"

5) For enclosed assemblies WITH DOUBLE METERS ("...-E-DBL" models) , also fill in lower meter calibration information below.

PART NUMBER	DESCRIPTION	STEP 1 Lower Meter Style ³	STEP 2a Lower Meter Label	STEP 2b Lower Meter Label (if "Custom")	STEP 3a Lower Scale Minimum Label	STEP 3b Lower Scale Midrange Label (if reqd)	STEP 3c Lower Scale Maximum Label	STEP 4a Lower Scale Minimum Voltage	STEP 4b Lower Scale Maximum Voltage	STEP 5 Lower Optional custom splash screen
SGD-24-M-C-E-DBL ² SGD-28-M-C-E-DBL ²	Smart Graphic Display, 2.4 or 2.8 inch, Kele-configured, enclosed, double display	Digital								na
SGD-24-M-C-XK-E-DBL ² SGD-28-M-C-XK-E-DBL ²	Smart Graphic Display, 2.4 or 2.8 inch, Kele-configured, custom splash screen, enclosed, double display	Digital								E-mail custom splash screen image (jpg, jpeg, bmp, png, gif), to "info@kele.com"

Notes: 1) PanelPilot software (free from www.panelpilot.com) is available for field configuration of SGD-24-M and SGD-28-M devices; this worksheet is then not applicable.

2) For "DBL" assemblies, fill out the Lower Meter information also.

3) METER STYLES:
