## NEMA 1 SCREW COVER BOXES SC SERIES

### DESCRIPTION

The **Kele SC Series** screw cover boxes serve as surface-mounted junction boxes or switch boxes. With the addition of a field-installed perforated subpanel, they can also house controls and instruments in areas that do not require oil tight and dust-tight ratings.

### FEATURES

- 16-gauge steel construction to meet NEMA 1
- Flat, removable covers fastened with plated steel screws
- Unique keyhole screw slots in cover for removal without extracting the screws
- Mounting holes on back of enclosure
- Various sizes of easily removable knockouts on all sides
- ANSI 61 gray polyester-powder finish inside and out over phosphatized surfaces
- Available with optional perf panel
- UL File #E27525
- CSA File #LL42184, RoHS
- One-year warranty
