## Same-Day Shipping

Need parts fast? Kele offers same-day shipping on orders of in-stock parts entered by 5:00 p.m. Central and 2-Day Delivery to the majority of the U.S. on most in-stock parts.

## Kele.com e-Tools

Use My Project Portal to upload a full BOM or list and check out quickly. See recommended alternative and typically required parts. Track your order. And chat live with a sales rep for help!

## Panel Shop

Kele's UL508A-listed shop has built custom panels for 30+ years. We offer diagram proofing, in-house calibration and testing, and job-site delivery on your schedule, saving you time and labor costs.

## Project Sourcing

Kele can fulfill your entire BOM. We can consolidate your order into one package, label, stage, and ship based on your schedule. One PO. One invoice. One source.

## Technical Support

Our trained technical experts can be an extension of your team. They are available by phone, chat, or email to help troubleshoot, select products, and answer installation questions.

## Custom Services

Kele offers free custom valve assembly and custom calibration on select components. We can also create custom tags and labels for easy installation.

KELE OFFERS OVER 3 MILLION PARTS FROM MORE THAN 300 OF THE MOST TRUSTED BRANDS THE BAS INDUSTRY HAS TO OFFER, INCLUDING THESE FEATURED SUPPLIERS.
